John is my dad. Sadly he left to be with his wife my Alice. Her passing was very hard for him. Thankfully he has my little sister Mandy and lil bro Jacob there to comfort him on those bad days. I miss him so much there's so many more things I wish we could of talked about. I wish there could of been so many more memories together but life works in mysterious ways. I know you would of loved my kids and they of you. Dad I truly hope you never doubted my love for you, as you may know now I'm do much like you it's crazy. I promise to fix my situation as soon as possible. Hope you and mom are happy free of anything that discomforted you here. I pray the day we meet again that you'll be proud of me, and that I did a good job withy kids. I know that bothered you and you thought of it often. Give mom a hug and kiss from me. We love and miss you here...till the day we meet again...Love your son,Jared
