# Reginald Orlando Morris

OCT 22, 1964 - JUN 10, 2019

**M**r. Reginald Orlando Morris, son of the late Barbara Jean Morris and Reginald Morgan, was born on October 22, 1964, in Saint Louis, Missouri. He attended Williams Elementary School and was a graduate of Sumner High School, where he was a popular band member among his many extra-curricular activities. At an early age, he professed his faith in Jesus Christ and joined First Free Will Baptist Church, where he was baptized.

Mr. Morris had many passions throughout his life, including music, dancing and his family, just to name a few. He especially demonstrated his creativity and talent as a well-respected barber, where his attention to style and detail shone brightly. He later focused those same energies into becoming a skilled electrician.

The love Mr. Morris displayed for members of his family will last eternally and his influence will forever remain in the lives of all who knew him. He departed this life Monday, June 10, 2019 at Decatur Memorial Hospital in Decatur, Illinois. He was preceded in death by his mother, Barbara Jean.

His beautiful life will forever be cherished in the lives of his family, including his father Reginald Morgan, siblings Darron Morris, Robert Finley (Rosalyn), Dwayne Jones, Edwin Mohammad (Sharron), Toni Mohammad (Antonio), Arnolia Morgan, Reginald Morgan, Rachelle Morgan, the late Alice Morgan, with special love and support from Aunt Lanella King (Tommy), Michael Morgan and Great Aunt Lavada Morgan and a host of aunts & uncles, nieces & nephews, cousins and dear friends.

We would like to thank all of those who have supported us during this difficult time. Your love and encouragement will never be forgotten and will stand as a testament to the life of our dear Reggie.

“From them will come songs of thanksgiving and the sound of rejoicing. I will add to their numbers, and they will not be decreased; I will bring them honor, and they will not be disdained.” – Jeremiah 30:19

I am just now being made aware that a great friend has past and I must say that I am terribly heart broken to know that I lost a irreplaceable mentor/friend in life. I met Reggie while getting my certification to be an electrician and only knew him for a brief moment but in just that short time I learned a lot from him and it hurts me to know that I can no longer go to him for advice. I lost contact with Reggie while I was over seas and when I returned I tried to dial his number only to find out that I was no longer his number. I immediately became worried and reluctantly searched high and low through obituaries on the web and came across this,this news will hurt for a long time and I will always remember the advice and wisdom you blessed me with. My condolences and prayers will forever go out to the family. RIP Reggie you will be forever missed and never forgotten my dear friend.

Although I never had the pleasure of meeting Reggie, it was as if I knew him through my conversations with his sister Toni. Toni and I are co-workers and she shared the joys of having Reggie as her brother. It is always difficult to put into words or convey the feelings one has to the family and friends of someone who has stepped from this life into this next. Certainly, fifty-four years is a brief time, however in those few years I am sure that Reggie was able to touch and impact the lives of so many, therefore he will be missed by all who knew and loved him. Be assured that we are praying for the entire family and friends.
