Such a terrible loss! You are no longer in pain! Please watch over Bob as he took care of you and watched over you for over 20 years. I remember bringing food over or Bob calling for advice and you always saying " If something happens to me , Bob will stay in this house until he passes " Bob will transitioning into the next chapter of his life and we need you to watch over him! Your wish is not going to happen for him. We love you and will miss you! Sometimes greed is stronger than love!!
