Jean was such a vibrant woman, who enjoyed life and shared her love of it with others. So many thousands were brought to smiles and perhaps took a few brave steps out on the dance floor because of her! So Paul, Linda, Paula and Marcia cry if you must because she is gone but keep smiling for all the years and memories you have of her?? !!Because i do believe that she would want you to party on!So sorry I won't be there for her celebration of life. Sending hugs and love.
