Jimmy Baker posted:

My precious friend and brother, how can you be gone! My heart aches at the thought of not seeing you, but I know you're waiting in Heaven and I will see you again one day and we'll never have to say goodbye again. I know God will wipe the tears away from your family's eyes and comfort their hearts. You knew Jesus, and now see him face to face and his love will heal all the broken places you once filled. You're with Jillian and your Dad and Mom and my Dad and Mom (they loved you so much) and everybody else who cherished you. But we want you to be back with us also and our hearts will always ache because you aren't here. I love you dear friend and will always carry you in my heart.
