To the Family of Braxton, Sorry for your loss of your precious son, the Bible speaks of a time in the future when those in the memorial tombs will hear His voice and come out, find comfort in Jesus words at John 5:28 and 29 and again sorry for your loss.

To my very sweet granddaughter, Haley. If there was any way I could take this pain from you I would do it in less than a heartbeat. My prayers are with you and I want you to know that God our heavenly father and his son Jesus Christ is with you. Rely on them to give you the strength the patience and the peace you need and require as their love surrounds you. I am so sorry for your loss and believe it or not I feel your pain. You know the love of a mother I watched you in action. Know that a Grandma's love it's just a strong. Don't hesitate to call me if there is anything that you need. I love you deeply unconditionally and forever. Grandma Sally
