I'd like to extend my deepest sympathy to all of Dan's family and to his beloved Debbie. They say people come into your life for a "reason, season or a lifetime." In 2006, I was very fortunate to have had Dan come into my life for all of the above. He was such a dear friend and confidante. I'll never forget his friendship, loyalty, generosity, humility and easy going manner. I will miss all of that about him, as well as his sage advice. I liked how we could go without talking for months at a time, then pick up where we left off. He was an "old soul" and taken much too soon. I'll never forget you Dan and neither will those who's lives you touched. You will be sorely missed. Please look down upon us and guide us in your absence. Rest in Peace Dear Friend.?

It is with deep sympathy that we pay our respects to the family and friends of Dan Reynolds. Dan serviced Hendrick House accounts for many years. Dan was ready to help when we were in need and always did so with a smile on his face. He will be greatly missed.

To Danny's Family: All of us who grew up on Riverside Avenue remember fondly the great times we had from the full spectrum of ages of kids... I have often longed for the same set of experiences for my children as they grew up... playing outside until the street light came on, being more afraid of other kid's mothers disciplining you than your own, hide and seek, and the annual neighborhood picnic. All the Reynolds' were integral part of those childhood memories. We will remember Danny as the kind caring young man who always keen to look out and care about the other, especially us younger, kids. His good works will live on through these memories, his family and legacy. Please accept our deepest condolences on his passing. May your memories comfort you, and peace be yours in the days ahead. The Durnils from across the street Patrick, Lynda, Mary and Mike (Sending special love to Knappy!)

To Debbie and Dan's family, I am so sorry for your loss. I did not know Dan well, but I appreciate all of the kindness that Debbie and Dan have shown my step-dad, Harley (their next door neighbor) since he has lived there. This includes visiting him, taking him out to eat, cooking and delivering meals to him, and so much more. I know that Dan jump started his car once and cleaned off his sidewalk. Both Debbie and Dan are a great example of what it means to give of yourself to others. May his kindness live on through his children and granddaughter. God bless you all.
