A life partner to one of my dearest friends. Love is not an emotion, love is an effort to accomplish something. God commands us to love. You cannot command a person to be sad, or happy, but God commands us to love, so therefor we must do the things that are loving. With every thought, word and deed, every gift, every kind generous giving thing Chuck and Beckie used these to build a towering monument to their love of over 50 years. Chuck, you have obeyed GOD'S Command.
