I had the honor of being mentored by Carol during my time in CCU & ICU at Decatur Memorial Hospital beginning in September 1980. She was one GREAT nurse to learn from. She treated her patients like family, her co-workers like family, her friends like family. Even though we wouldn't see each other often, she never forgot a face. My heartfelt prayers to her family and extended hospital family as Heaven gained a true ANGEL...FOREVER in his arms...
