Dear Russ and Family, I am so sorry for your loss. Judy was a such a beautiful lady and wonderful neighbor. I really enjoyed seeing her sitting out on the front porch when I came home from work or when I leave. She would always smile and wave. I always enjoyed visiting with her. She will be deeply missed.

Dear Russ, Tim and family, It's been many years since Judy and I worked together in the Installment Loan Department at Millikin National Bank. Judy was a special person and a good friend. I'm so sorry to hear of her passing and I know she fought the good fight with breast cancer that was her way. Please accept my deepest condolences and know that she was a beautiful person and a special friend to me during our time together at MNB. My prayers are with all of you. Sincerely, Christine Smith
