My precious little Angel. It broke our hearts the day you left. It's so hard wondering why this.....and why that??? Only God has those answers and He apparently had a bigger and better plan. At least we know you're safe. We only had you for a short while but the bond we made was so powerful. How comforting it was holding you in my arms and rubbing your soft gentle cheeks. A memory that I'll always cherish forever and ever. Please watch over Mommy and Daddy. They've been through quite an ordeal. Something they didn't anticipate to happen. So much for a young couple but they've made me very proud. They love you so much. It's amazing what love, support, and strength can do. You'll always be Mommy's little Nemo, Daddy's little fishing buddy and Grandma Maggie's little keeper. Until we meet again.????? Grandma Maggie??
