My sympathies to Tony's family. I last spoke to Tony during a rare return to Lovington more than 16 years ago, and I regret as I mourn his loss that there hadn't been more opportunities. We had shared many wonderful experiences with our great friends and classmates on the journey from kindergarten through graduation of our LHS Class of 1972. Whether it was Boy Scout camping trips, Panther football, Letterman's Club activities, fishing on the Okaw River or Lake Shelbyville, catching double features at the Sullivan Drive-In or struggling to stay above water in the bookkeeping class we shared, Tony was great company. His sense of humor and positive outlook always elevated the experience and made it much more fun, entertaining — and memorable — than it would have otherwise been. Rest in peace, Tony. And thanks.
