Our Dad was Superman to us. He taught us to be respectful, responsible people and gave us a great life. Everyone who met him fell in love with and respected him. He made us laugh and was the smartest person on earth. You could ask him anything and he new the answer. We are all heart broken that he had to leave us but will always love him. He was the best father anyone could have. We would have done anything for him. We love you Dad!
