Dear Jean, Dan was an important part of my social fabric during high school in Toledo. Danny was our alpha-male in a group that included Jim Tellefsen, Jerry Mills, me, and many others of whom I'm not even aware. As one of his peers his passing as well as the recent passing of Jim are acute reminders of where we are along life's journey. It was an honour to have known Dan during my formative years. I send my sincere condolences to you, your children, and all the members of your family. Most sincerely, Allen C. Stoolmiller
