I met Mindy when we both attended First General Baptist. We played volleyball while the guys had their game of basketball. We became friends. She got me into the Decatur Chorale. Her voice was amazing and I loved hearing her sing. She loved movies. Her kids were her heart and I remember lots of conversations of her and I talking about our situations. She always made funny faces when her picture would be taken. I wish I could be there to say goodbye to her and give you guys my condolences. She was a good friend and will be greatly missed.

So sorry Jan for you and your family for your loss. She was way to young for this. I believe she is with our father and she will have no more pain in her perfect body. You will see her again in the twinkling of an eye. We are all her for a short time in this life but eternity is forever.
