Very sorry to read that Butch has passed, Our deepest condolences to family. I remember when ROSE and I walked across to introduce ourselves to Butch. He was just putting the lid back on a can of stain, after applying it to a entry door that was on saw horses. on his driveway. we talked for a while. Then my lovely wife mistakenly placed her hand on the wet door. Butch, grinned and immediately started prying the lid back off the stain can, as we all laughed. MAY he rest in peace.
