We enjoyed our friendship with Rosemary, serving her communion over the last several years. Rosemary was a favorite of my children as they served her communion and sang songs to her. They, and I, will miss her and we are sorry for your loss and we will include you in our prayers, as we did with Rosemary. Ryan Baker and children.

I know we've lost touch over the years but I have always thought about you often. My prayers of comfort go out to you all!! still can see the sheer panic, concern and love on Grandma Rosemary's face when I got hit with the baseball bat while the boys and I were playing ball in the back yard. She nursed my wound and watched over me as we all went back out to play ball!!My mom Theresa also sends her condolences and prayers! She's not too tech savvy to post it herself! Love to you all!
