Dolly, I'm so saddened to hear Scottie passed. It was shocking news to me. I wanted you to know that I'm thinking of you & praying for you. All of my memories of him are good & he was such a huge part of my adolescence & my first love at 13 years old! It always makes me laugh to think back on those years, when Scottie & I would be on the phone very late at night & we always got caught by you! Lol! You would pick up the extension & tell us to get off the phone! As an adult, I always enjoyed running into you at Walmart, before I moved, I wish I had seen you or Scottie the last time I was in town. He will always be that fun, sweet young man in my mind. Much love to you!
