Aunt Gerry was beloved by us her niece, great niece, and great-great nephews. Through life's ups and downs, and through laughter and loss, one thing always remained true, the strong bond of our family's love for each other. She will forever be remembered for her hearty laugh, her love for her precious dogs, her red hats, and her love of family. While she's no longer with us here on Earth, we know she is now in the arms of her Savior, and surrounded by so many loved ones that have gone on before her. She will forever remain in our hearts! Geri we will miss you – you treated Jenny and Cassie like they were your own great granddaughters – they loved all your teddy bears and coming to visit you – I'm sorry I couldn't make your services but you were in my thoughts and prayers! I have so many wonderful memories of you – the many Christmas dinners, stories of all your bears you collected and the beautiful Christmas tree you decorated year long with different holiday decor! Rest In Peace with Grandpa Floyd! Love you, Debbie, Donnie, Jenny and Cassie
