Before Brian got sick we started taking a early motorcycle trip to see uncle Ronnie. What I wouldn't give to have him here again. He was my second dad. I'm so heartbroken and can hardly speak his name without tears coming from eyes.

So many good memories with Brian. Even the time him and I were wrestling around out in front of my moms and Chad got involved. They both fell into me and I fell into the bush. I ended up with 4 or 5 stitches in the back of my ear, lol. We did a lot together when we was young. Good memories.
