Fred, Bruce & Mark, It has been so many years since I have seen any of you, including Jessica, although she and I communicated quite frequently for a while after she broke her ankle and contacted me to ask questions as I had had a very similar break the year before. I remember all of you so fondly, especially from the summer your mom had me babysit for you while she was working. Jessica's unexpected death breaks my heart, but I know that she is in heaven with our Lord and at peace. She, and you, will always be in my prayers. May God bless and keep you always. Sue Berndt
