Hi Girls, As Valentine's Day approaches I'd been thinking that your Mom had a birthday coming & what better way to Celebrate than to be listening to music & dancing the night away. I didn't know she'd be dancing with your Dad & the Angels this year. I think she thought that the Valentine's dance with Kid Kadalic was especially for her & I'm sure; without a doubt, that Elvis was there just to sing for her. She always brought great joy to those around her. Growing up, I can remember her as one of the adults, 'kids loved to talk with' after all she always was a kid at heart & thank you all for sharing her with us. She will be missed very much but I know the heaven's full of music & she's dancing and hoping you girls & Tommy are right here dancing along. Every time I hear, 'Love me tender', I'll think of her. What a beautiful lady she was & how proud she was of each of you. Sending hugs & prayers your way. God Bless

To all the Hick's kids...I am so sorry for your loss. Your Mom was like a second mom to me...I spent as much time at your house on the weekends as I did my own. Have so many great memories of that time. Hugs and prayers to you all!
