Celene, Greg, Bob, Mary and family. We are so sorry for your loss. Many years being neighbors in Cooper addition, and then on Solar in the house that Bob built. Jackie was Mom's best friend. They shared so many hours in the kitchen having coffee and solving the world's problems. She gave me my first rosary, and took us to church with her. We loved her dearly. We pray God's peace for you all.

Jackie was a rare find...she was a person I met when I began working at Brinkoetter & Associates as Carla's asst. and she made a LASTING impression on my heart and soul. She was ALWAYS there for me...to listen, to give advice, to cry with and to LAUGH with or to tell me a much needed "pull your head outta your rear, Jill, and do what you gotta do!" ?? She sincerely cared about my well being and my daughters too. I was blessed to call her friend and missed her DEARLY when I moved away and we no longer had our daily talks at my desk or in the breakroom...she would say, "come on Jillian, let's go have a chat!" 🍷 She loved the Lord and I can just see her in Heaven preparing a feast of her many wonderful recipes (of which I still have many!) and filling the Lord with good food for the soul. You PRESENCE will be missed sweet Jackie...until we meet again....I love you, Jill (Glick) Cook

Jackie was the "matriarch" of our office for well over 30 years. She was always one of the first agents in the office and absolutely loved what she did. We never went hungry around the office as Jackie was always cooking up something. And if you ever attended one of her Realtor Coffee's you were served a feast. While, technically, I was Jackie's Managing Broker, she never let me forget that she used to babysit me as a child and she could still "swat" me if I needed it. Jackie's love of life and her energy and "attitude" are greatly missed by all of us at Brinkoetter. In my minds eye and in my heart I have a vision of her asking God what He would like for supper!!!!!! We love and miss you, Jackie!!

I had the pleasure of knowing Jackie for over 20 years through working together in real estate. Never have I known such grace, honesty and love from a friend. I will greatly miss her love, teasing and smile. They just don't make them like Jackie anymore. Your family has my profound sympathy. Man how I loved your mother.
