As you say good-bye to your loved one I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. There are times when the right words just don't exist...times when feelings are too deep to be expressed. At this sad time, may it bring you some peace and comfort to know that caring thoughts and prayers are with you every day. Cherri Queitzsch
