Remembering the times we were together in Springfield. As cousins we had a lot of fun, from playing at Grandpa's house or our house in the country. So sorry for the family's loss. Will put all of you in my prayers. Kay Russell Miller

My sympathy to all of Zona's family. I attended St. Patrick's grade school with Zona and grew up living close to her. She spent lots of time at each other's houses. Our birthday's were only 6 days apart so we always had that in common. We lost touch after grade school but I last saw her about five years ago when she came to a get together for our 50th reunion from St. Pat's grade school. We had such a great time seeing everyone and I especially enjoyed visiting with Zona after so many years. Will always have fond memories of her from our time spent together. My sincere sympathy to her family. I will keep her in my prayers. Rose M. Lenn, Springfield
