Sarah always brought a smile to my face and to those of us who worked in Tank Department at PPG. Sarah and I met when she became the executive secretary for a research project, P-10, at Mt. Zion, IL. She was one of the first to use a new fax machine purchased for the project and for the plant! Sarah treated Vice Presidents and Union Workers all the same! Just a great lady!

I am so sorry to learn of Sarah's passing. She was a wonderful woman just like her husband Walter. They were good friends of my mother and father (Kit & Dean Wooldridge) from out at the American Legion, and as I worked my way up the ranks in the American Legion Jr. Auxiliary, she was always there to lend a guiding hand to me along with Pauline Smith. My prayers and thoughts are with you. Another Guardian Angel has joined the many you already have! Terri Wooldridge
