Cheif and Val, we are so sorry to hear about your loss of Jeff. Don't know if there is anything much anyone can really say, or do, to fill the void in all the family's life that will now be there. Hopefully all the good memories will help get you through the long days ahead. Give your mom a hug from Bob and I. This is nothing a mother should ever have to go through. If there is anything we can do for you, please call. Love and prayers to all.

Jeff was a wonderful father to our son. Growing up, Cory was a daddy's boy and loved spending time with his Dad and Grandpa Logan. It's comforting to know that now they are both watching over Cory and his sons. Thanks Jeff for being a great dad, for teaching Cory your craft over the years, may you rest in peace.

Jeff was my best friend from the day I met him on my 16th birthday...it was our first night at a new job at the Herald & Review mail room....We shared so many experiences, so many memories.....so many things...I could write pages and pages!! So happy that he is my friend, so very sad that he's not here to live new adventures with me. We had so many things left to do, plans that are now gone. I miss you so much Jeff! I love you Jeff....I'll see you on the other side.
