Nick was always smiling and almost always happy, even when facing challenging events in his life. I am blessed with the memories of my cousin Nick and am so sorry to hear that he passed at such a young age. It is a reminder to all of us that our days are numbered and that we should always find a way to keep a smile on our faces. My thoughts and prayers are with you all. RIP Nick!

We used to call Nick "Smiley" when he was young, He was friends with my boys for many years, used to come by almost every morning for breakfast before school because his mom worked early. He and my boys had some good times as they were growing up! We all loved Nick, sorry to see him go so early in life! He was a good kid!!
