To Rogers Family, My husband and I have known Roger for about a year now through the Travelodge. He was an exceptional man. He made us feel like we were part of his family just by his sweet gestures, helpfulness, and love. We were in total shock when we learned of his passing. It is so hard to have to say goodbye to such a considerate man towards everybody he came in contact with. Even if he was having a bad day, he never showed it. My husband and I will miss him dearly! We love you Roger! Kerry Piazza
