Dear Gloria, Marsha, Neal, Billy, and Families, I was Brian's teacher at Roach Elementary School. He was a character, especially the day he wanted to tell me that his mom thought she was going to have a baby, but that she wanted to ask me about it because I had just had my daughter! We talked and sure enough . . . Brian would have another younger brother, Billy! He loved his family, but adored his nieces and nephew. He was really proud of mom's weight loss, how well she maintained it, and the dedication you had Gloria to helping others become healthy and stay fit. Brian made the effort to keep in touch with me over the years and I loved him for that. I will deeply miss him. I know words can not take away your sorrow, but I hope they will give you some comfort and peace. With Deepest Sympathy, Jill Schultz
