Kay and I literally grew up together since we went all they way through school together and were friends all that time. We lost touch after school other than to run into each other somewhere and do quick "catch ups". I am so happy we reconnected through our Lakeview High School Class of "67" and our visits at WalMart. I know you are in a better place free of pain and sharing your beautiful smile with everyone. RIP dear friend.

Kay, I am so glad reconnected by meeting with the Lakeview Class of 67. I've so enjoyed the time we have had both at lunches and the times I ran into you at Waal-Mart. I enjoyed filling in on your Bunco team, and you were always first in line at my book signings. Your opinion and your life mattered to me! I will miss you and always remember your positive spirit and outlook on life. Sending hugs to heaven. Prayers are being said for all of Kay's family.
