I pray everything before I sleep that you are at peace and happy! We all know your in a far better place than us! But what I would give to have my phone ring and me pick up to u saying get ur ass out here and have a smoke with me and if I said no you would sit there till I came out no matter what time it was lol I'd come out say OK just one smoke then we talk all night laugh and as soon as you know we had been threw a whole pack and the sun was coming up! You had the biggest heart I kno and I'm so truly blessed that I had you in my life! I'd be lien if I didn't get teary eyed by saying this but now after everything you have taught me about horoscopes I read mine and your every night I love you B and you will and have always been in my heart you were always there for me and IL always be here for you till we meet again IL be the stars and you can be the moon my love!!!
