Sid and I grew up together. We hunted together went to the same schools. We were good friends. We went our separate ways raised our families. We reconnected just a few years ago it was good to see him and talk about what we had done with our lives. The last time I saw Sid was at the 45th class reunion for Lakeview I talked to him a few times after that Sid was a good guy and I will miss him. Rest in Peace my friend.
