My deepest Condolences to the family...who are like my family since the day Chookie adopted the Whitelaw and Snipes family as her own. I remember us all coming from humble circumstances and not having a lot but we came together as family and made sure no one in our circle went without...That's the person Chookie was and motivated others around her to be...we all still had struggles but being around Chookie taught us to smile and keep pushing forward through the storms...A very very strong woman...she will be missed dearly...RIH Amen
