Shane and family:I am so very sorry to hear about your Dad. I met Denny many years ago when I worked in Pharmacy. Denny delivered the Pharmacy's medication from our supplier. He always made us laugh, and if he saw one of us having a bad time, he would always try and cheer us up. Your Mom also babysat my kids when they were small--now he is reunited with Penny which I know he loved very muchPlease accept my condolences in this most difficult time and know he is not suffering anymore and rejoicing, looking down at you kids and his Grandkids. May God be with you
