We will always remember Ruby as a very dear friend who help our mother, Doris Murphy, accept her stay in Heartland Nursing Home. They were good friends and always ate their meals together. About a month ago we went to visit to Ruby at the Nursing Home and she was a sleep. I have always had a policy not to wake up any patient at the nursing homes, so I told one of the nurses to tell her that we were there and gave her a small package of stationary because I knew that she wrote to a lot of people. Oh how I wish now that we had woke her up from her nap. She will be truly missed by anyone who knew her and the sweet smile that she always had for everyone.
