We have so many wonderful memories of our dear Uncle Jim, there is hardly space to list them all. Remember the "Green Monster"? Parasailing in the Caribbean. Seeing so many wonderful places through the generosity of a very loving man. Laughing, hugging, sitting next to him working a crossword puzzle. Just being with him. He has enriched our lives to the fullest. We will miss him so, but will always treasure all our memories and keep him in deep within our hearts. Love Neil and Jackie My dearest Uncle Jim, thank you for long ago filling a hole in my heart. Thank you for the being a wonderful role model and for showing me true love. Love, Jackie
