Debbie and I met about 20yrs. ago and just most recently got re-aquainted 3years ago when her brother Dave and myself delivered her and Hobie some patio furniture for them to enjoy the outdoors this summer. She was tickled! We had alot in common and joked around. I fixed her hair in Aunt Donna's driveway a couple months ago before a family gathering started. We laughed and giggled the whole time we were there. I last got to see and visit with Debbie on Sunday at the nursing home and she pointed her finger at me and told me to be sure i wrote my phone numbers down for her as she had left my numbers at home so she persisted I use the permanent black marker and write it down on the paper posted on her refridgerator. I just love her and her beautiful family!!! Mr. and Mrs. Joe Lowe, Sr. you have done a wonderful job in raising all your beautiful children and I plan to be around in continuing to get to know ALL of you... You all have my sincere condolences and I, myself, have lost a sister, and children, as well as many others and there is not enough words for me to ease the pain but be assured GOD can and will as TIME can help the pain. I am here for all of you, LOVE, SHELLEY
