To the family – No words can really be said or written during this time...but knowing that Jon is with God is the biggest comfort to realize. From what has been written about him, he was truly a great person to know. The heavens have gained a shining star that will light your way through the rest of your family's journey. Peace and Love

A man who addressed his Heavenly Father as "Sir" when he prayed.....I always loved that. A magnificent husband, father and grandfather. Heaven has gained a beautiful soul, but he will be greatly missed on this earth. My love to his beautiful family.....
