Oh sweet Tareza...it has been years since we last hung out. We were tight, always together until life and circumstances tore us apart. You were my best friend for many years. I was so sad to hear that you passed away. I prayed that God will tell you that I always loved you and you ALWAYS had a special place in my heart and that I missed you a LOT. I didn't know you were sick or in pain, but thankfully all that is gone now. May you rest in peace.

Judy, Doug, Tiana, Angel, and Louise, I am so sorry for your loss. I am still struggling with accepting she is gone...but, she is no longer suffering and she is no longer in pain. Logically, I know this, but still trying to get my heart to accept it. Tareza was like a little sister to me...she even used my ID to get into bars when she wasn't quite old enough...sorry Judy ?? but I have always tried to steer Tareza in the right direction...even when I didn't know which direction I was going! Lol What I will remember most about Tareza is that she loved hard. She had a great, but warped, sense of humor which is why she fit in with me and Christina. The only regret I have is moving away to Chicago and not being there for her when she was struggling with her health...but she was in good hands with her family, Amie, Ericka, Krystle, Christina and anyone else who was there for her. Tareza was my sister and she will be greatly missed...she holds a special place in my heart. Love you guys! Rebecca Fuentes
