Elana always made my day when she came to get her hair done by me, we laughed and clicked the first time I met her. She had a big heart and was just happy being herself. I was paid to make her feel and look good, but sometimes I feel I should have paid her for her uplifting my day. I will miss knowing she is not out there anymore physically but I bet she will stir up heaven. I know your listening girl, you were taken too soon, and I will miss you and your spirit. Love you always. Prayers for your family to get through this.

Elana Ed always smiling when I saw her. We got to know each other due to mutual family, my work and she went above and beyond accomadting my furry children's appointments. So happy I saw her last week and do was Jack. His hair was bad. She always made them beautiful. Elana made me happy by just being her. I hope I made her feel special too. Her love for animals was admirable. What a loss. Elana I miss you already. Words can not express how heavy my heart is. You are in Heaven along with some great people. I hope to see you someday. Prayers to all
