Sister Joan Schullian, OSF posted:

I am grateful that I had the privilege of knowing Esther Wond. I met her at Our Lady of Lourdes Church where she was a member and I have been serving as Pastoral Associate since 1993. She was a faithful and faithfilled person. When she was a resident at the Clinton Nursing Home, our pastor, Fr. Rick Weltin, and I visited her. I also visited and prayed with her at Aspen Ridge Nursing home which is now Symphony. She was always very gracious and kind. Sister Jocelyn Serwaka, OSF nursing supervisor at one time at St. Mary's said: "Esther Wond was the best nurse I ever had working on my floor. She gave excellent care of our patients." Blessings and peace to her family. I'm sure Esther is enjoying her new life with God. Sister JoAn Schullian, OSF

I was privileged and blest to work with your Mother at St. Mary's. She taught me much about caring and professionalism with our patients. You are in my heart as you continue your journey without her physical presence.
