One year at Summer Camp , Michael who completed his mile swim that year, would call home every chance he could get a phone from one of the adult leaders. Jenny asked if anyone needed anything brought to camp..... I needed some thing, I'm sure it was not a comb, must of been shaving cream or something.... Jenny brought a can for me to camp and I thanked her... see replied that it was" her pleasure " I always try to use that phrase and will remember her whenever I hear it .
