For all of you, I am very sorry for your loss. Carol was a wonderful person and very family oriented. She and I were co-workers at Kemper and I remember Carol as a very conscientious, hard-working person with a good sense of humor. Stan you may remember the time we (Clara, Pat, Bonnie and me) came caroling at your doorstep dressed as "Precious Moments". We played music via the battery operated cassette player and had the famous "O" shaped mouth. It was our surprise for Carol because she was a Precious Moments collector. That memory will always stay with me because we all had a good time, especially Carol. You are in my prayers during this sad time. PK Alsup
