The rain came down steadily as the thunder rolled in the distance like the memory of an artillery barrage unleashed in a battle fought long ago. Three sharp volleys of rifle fire by the Guard of Honor, then the beautiful haunting 24 notes of "Taps", then, did I know this??Veterans' soul had found peace at last. Let us not mourn the departed, but rather thank God that such a man lived. Thank you for allowing us to perform these last Military Rites for your loved one. We consider it an honor to do so.
