Terry, so sorry to hear about April. Gosh, I remember when you started dating her when we live on Center St. The last time we saw her was at Jons wedding when she sat with us and we rehashed "old times". The only reason I saw this was I was looking up dads obit.She was too young to go,and even tho I don't know the situation, I AM SORRY. Take care, and hopefully you will be able to survive this, along with your daughter and grandkids. Take Care.Lynette
