To my family I want to take a moment and tell you all I am so sorry for the lost of your little loved one. Although you will probably hear this a million times know that earth has no sorrow that heaven cannot heal. God in His infinite wisdom knew what was best and He alone could do more for this precious little blessing than any of us. My schedule will not allow me to be there to physically wrap my arms around you and tell you I love and that everything will be alright, but know that my thoughts and my prayers are with you. Be strengthened and know that in the arms of Jesus is where Samantha is finding rest! Blessings
