To the brothers and sisters and sons and daughters. I am very sorry for your loss. Leo along with Pete and Tim Nicholls were my best friends through a major part of my grade school/middle school life. Leo was always a loyal friend and had a good sense of adventure. I remember him working at Hotwick's Market and I would sometimes help him out by sweeping up. Like many things in life, it's been too long since I have seen Leo and pretty much lost track of him since the mid 70's. All I can say is he was a big part of my life when I was growing up and I am glad he was. May he rest in peace.

Tony, Cindy and Cashl was pretty shocked to hear of Leos passing today. I'm so sorry for your loss, as you guys know we were pretty tight as kids. It's surprisingly upsetting to hear this news. Every year at January 29th I always thought of him, always remembered his Birthday. I have always thought about Leo and wondered how he did in life. He was one of my best friends for a time when we were younger. I have left my e-mail address and would like to know when there is going to be a memorial, I'd like to go and have a beer and share some thoughts. Would also like to know what happened for him to go so young? Take care guys. Pete
