Dear Steven & David, I know you both do not remember me. I am Dolly's oldest daughter Barbara. I am so sorry too hear of the lost of your Mother. My Mother, her sister Dolly, has been in a nursing home for the last four years. I know Yolanda mentioned this to you Steve and to your Mother. I remember all of you when you came too New York so many years ago. What at shame we never really got too know each other. My mother is suffering from Alzheimers and does not know any family members. I cannot tell her your Mother passed. All of you are in my thoughts. Please advise me of your mailing address, I have a family picture of the sisters with their brother, my Godfather Uncle Joe. Again, for my Mother, and my family I am sorry for your loss. Your Cousin, Barbara Overeem

Dora was a very good friend to my mother, Dorthy Bowles and I spent alot of time with them both in earlier years. I am very sorry to hear of her passing. About 4 yrs ago I had a stroke and have now moved in with my son, Rich and his family, and Dora still kept in touch with me through cards, and we came for a visit with her about 2 years ago. I am so glad we got to see her and visit. I lost my husband, Claude 5 years ago this coming November so I know what feeling you will be having but stay close to family. They are there to love and support you. Love, Rose White

Sorry to hear of your loss. Dora was loved by the Smith family. Angie will miss her greatly. Angie reminds us how she lived with Dora in New York in her early years and Dora and Russ use to try to out do each other on the birthday cards.
