My condolences to your family. I first met your father when I worked at the store at Wyckles and have talked to him regularly since I started working for the Village. He was a dear, sweet man and I always enjoyed talking with him about his flowers.

So Sorry to hear of Uncle Tony's passing. I wish I could make it out for his services but am unable. He was a great guy and I will always remember the snipe hunting episode and the conversation between him and the sheriff. Hope and pray everything else is good for you guys. May God bless you with his grace, comfort and blessings through this time and always. Hope to get to see you guys sometime soon. Joe Carr
